

## Not-for-Profit Agencies & Boards Resources

### Book Recommendations:

1. [Joan Garry's Guide to Nonprofit Leadership](#)

*Author: Joan Garry*

“Drawing on her own experiences as a nonprofit E.D., a board leader, a volunteer and a donor Joan shares her stories and introduces you to a host of new characters she has met since 2017. Board and staff leaders will see themselves in these folks – recognizing the mistakes and celebrating the successes.

In this new book, Joan will help you realize that “nonprofits are messy” – too many cooks, too few resources, and an abundance of passion and show you the way to find joy and privilege in that ‘mess.’”

2. [The Nonprofit Board Answer Book: A Practical Guide for Board Members and Chief Executives](#)

*Author: BoardSource*

“An essential guide to good governance for board leaders at all levels of experience and expertise. This third edition of the bestselling book for nonprofit board members and professionals offers a thoroughly revised and updated resource that answers the most-commonly asked question on board governance. The book covers such topics as board structure and process, board member recruitment and orientation, board-staff relations, financial management and more.”
